

Best Lawyers and Super Lawyers Honor Virtual Law Partners Attorneys

Palo Alto, CA (September 30, 2010) - VLP is pleased to announce that Trademark Partner Brian M. Davis was included in the *Best Lawyers Annual Guide to Intellectual Property Law*, which was published with the September 2010 issue of *Corporate Counsel* magazine. In addition, VLP Patent Partner Richard G.A. Bone was named a 2010 “Rising Star” by *Northern California Super Lawyers* as one of the top up-and-coming attorneys in the state for 2010.

Brian focuses his practice on trademark clearance and prosecution, and has provided advice to the owners of some of the world’s most famous brands. He has been named to the *Best Lawyers* list in 2008, 2009, 2010 and was also recently named to the 2011 list.

Richard focuses his practice on counseling clients in all aspects of worldwide patent portfolio strategy and management, including patent preparation, prosecution, and post-grant review, and opinions on third party patent rights. He was also named to the 2009 “Rising Star” list.

Best Lawyers is the oldest and a highly respected peer-review publication in the legal profession, and is regarded as one of the most valued referral sources for lawyers. Because lawyers are not required or allowed to pay a fee to be included, a listing in *Best Lawyers* is widely regarded within the legal profession as a significant honor, conferred on a lawyer by his or her peers. More information about the *Best Lawyers* referral guide is available at www.bestlawyers.com

Northern California Super Lawyers selects attorneys each year for recognition through a rigorous nomination process that includes peer review by practice area and independent research on candidates. Lawyers recognized on this list have attained a high degree of peer recognition and professional achievement. No more than 2.5 percent of the lawyers in the state receive this honor each year.
