

VIRTUAL LAW PARTNERS LLP

## VLP TURNS 42!

July 16, 2009

Virtual Law Partners started business with 8 attorneys a year ago. We now have 42 and are adding 2 – 3 new attorneys per month. In this difficult economic environment, we are thriving, because our clients recognize the superior value and experience we provide.

Our lawyers all have outstanding academic and work backgrounds and an average of 10 to 15 years of experience. By not having expensive offices or a large administrative staff, we've taken 50% out of the cost of traditional legal services without sacrificing quality. We pass on our savings to our clients through substantially lower rates or flat fee arrangements.

VLP helps domestic and international clients with incorporations, financings, mergers and spin-outs, licensing and contracts, patent and trademark prosecutions and acquisitions, due diligence services, SEC compliance work, commercial lending, tax and other legal matters.

*The next time you need legal help, contact one of our attorneys, or email Craig Johnson, our CEO, at [Craig@VirtualLawPartners.com](mailto:Craig@VirtualLawPartners.com).*

*We look forward to serving you!*
