

Virtual Law Partners LLP is pleased to announce this upcoming live web seminar:

The B, E, H and L's of Coming to the US for Business or to Work: Immigration Options for US Employers and Foreign Nationals

Thursday, June 23, 2011

10 am – 11 am (PT) / 1 pm – 2 pm (ET)

In an increasingly flat world, US enterprises seek to hire “talent” wherever found in the world and foreign nationals seek to take advantage of US work opportunities not found in their home countries or to enter the US market to create or expand a business.

Join VLP Partner Fred A. Rodriguez for an overview of business immigration options available to the US employer and to a foreign national seeking to enter the US to do business and/or to work. Fred has been practicing immigration law for more than 20 years representing US businesses seeking to hire foreign nationals to work in the US and foreign enterprises seeking to transfer key personnel to the US to establish a business or work for an affiliate of the foreign enterprise. He speaks regularly on business immigration topics at conferences and seminars sponsored by the International Law Section of the State Bar of California.

This program should be of interest to the following audience:

- Any US employer seeking to hire a foreign national to work in the US.
- Any enterprise engaged in international business in the US –
 - from a foreign person travelling to the US to make a first sale of goods or services or to license its IP to a US licensee,
 - to a more mature enterprise with operations within and outside the US seeking to transfer key personnel to the US,
 - to a foreign investor seeking to come to the US to create or acquire a US business.

This is a *free* event. We hope you will join us. Please register for the webinar by clicking on the event website: [VLPwebinar](#) by June 16, 2011. After registering, you will receive confirmation along with detailed instructions to access the webinar.

Virtual Law Partners LLP is an approved sponsor provider for continuing legal education in California.
